DEFINITION: An official transcript contains all essential academic data, such as: dates of attendance, courses taken, grades and credit/s awarded, degrees received. It may also contain information related to the student's current status at the institution. An official transcript is one that has been received directly from Louisiana State University. It must bear the university seal, date, and appropriate registrar's signature. This document cannot be released to a third party without the written consent of the student. This is in accordance with the Family Educational Rights and Privacy Act of 1974. If you have any questions about this document, please contact our office at (225) 578-1686. **ALTERATION OF THIS DOCUMENT MAY BE A CRIMINAL OFFENSE!**

AUTHENTICATION TESTS: The face of this transcript is printed on purple SCRIP-SAFE® paper with the name of the institution appearing in white type over the face of the entire document. When held to a light source, translucent icons of a globe must appear. When photocopied, a latent security statement containing the institution name and the words COPY COPY COPY appear over the face of the entire document. When photocopied, the pre-printed white signature will blur. When this paper is touched by fresh liquid bleach, an authentic document will stain. A black and white or color copy of this document is not an original and should not be accepted as an official institution document.
