

JESS HARBEN ELEMENTARY SCHOOL

Richardson Independent School District

600 Glenville Drive Richardson, Texas 75081-4529 469-593-8800 Fax 469-59

To Whom It May Concern:

I am writing in regard to Eric Triche, a former teacher at Jess Harben Elementary. Mr. Triche taught 6th grade Language Arts, Reading and Social Studies during his tenure at our school. Without a doubt, Mr. Triche is a creative and imaginative teacher who incited children to learn and fulfill their full potential. Throughout his time at Jess Harben, students met in guided reading groups, conducted writer's workshop and taught through word wall activities. Students enjoyed learning and having fun while they spent time with this fabulous teacher.

Mr. Triche also kept immaculate records and was a source of knowledge for both fellow teachers and parents. Parents requested and loved Mr. Triche for the passionate and caring attitude he showed toward their children. His thirst for continual learning and sense of adventure always kept him at the forefront of our school. Students enjoyed his class and worked hard to meet the high expectations of their teacher.

In response to his research-based lessons and creativity, students learned at some of the highest levels in the district and state. Mr. Triche took the time to analyze the data and make good judgements when measuring objectives for which his students would need additional time and support. I would highly recommend this outstanding teacher for an teaching position. If you need any additional information, please feel free to give me a call at 469 593-8800.

Sincerely,

Keith Forte
Principal
Jess Harben Elementary
